

CALL FOR PAPERS

We are pleased to announce the call for paper of the **ADM2021 International Conference** that is being organized in **Rome, Sapienza - Faculty of Civil and Industrial Engineering**, together with **ADM – Associazione Nazionale Disegno e Metodi dell'Ingegneria Industriale**.

Topics included but not limited to:

- Geometric Modelling and Analysis
- Industrial Design and Ergonomics
- Virtual/Augmented Reality and Interactive Design
- Reverse Engineering, Digital Acquisition and Inspection
- Geometrical Product Specification and Tolerancing
- Knowledge and Product Data Management
- Design for Manufacturing and Assembly
- Design for Additive Manufacturing
- Integrated Product-Process Design
- EcoDesign
- Integrated Methods for Design, Simulation, Analysis and Optimization
- Geometric and Functional Characterization of Products
- Experimental Methods in Product Development
- Human-Related and User-Centered Design
- Engineering Education

with a Special Session on “Engineering Methods and Applications for Cultural Heritage”.

All the accepted papers will be published on **Lecture Notes in Mechanical Engineering**, a book edited by **Springer** and indexed in **SCOPUS**.

DEADLINES

22nd of March '21: Paper Submission

10th of May '21: Acceptance Notification

31st of May '21: Revised Paper Submission

21st of June '21: Final acceptance

SUBMISSION OF PAPERS

The call is for full papers only; each paper, English written, must contain eight (8) pages, including abstract, illustrations and references.

Paper templates and guidelines are available on www.adm2021internationalconference.it

All submitted papers will be peer reviewed for acceptance and proposed for oral presentation or poster session.

Best papers will be selected for publication on a Special Issue on IJIDEM.

To provide a greater opportunity for more people to present at the conference, each accepted paper should be presented by a different conference registrant.

REGISTRATION & VENUE

ConfTool system manager will manage registration and submission. A proper link will appear in the official website of the Conference.

We welcome your participation, and we are glad to announce that the modality (in Presence, Blended or Virtual) of the ADM2021 International Conference will be defined in accordance with safety regulations.

Fees will be announced soon taking care of this.
